QUALIFICATIONS

Creativity

Have had photography, drawings, and paintings displayed at art shows. Entered design pieces into Competitions. (Helen Day Art Center Snowboard Design Contest, CAPiTA Death-Cut Contest, and several Champlain College competitions)

Personal

Highly motivated, extremely hard working, very attentive to detail, and incredibly organized. Offer a very unique sense of design and imagination into my work. Understand the value of hard work and follow through, having taken part in non profit international community service events. (Spent 9 days in rural El Salvador with the non-profit company Living Water putting in new wells in village towns)

Skills

Proficient with the Adobe Creative suite, experience in HTML/CSS, skilled in typography and user interface, and hold a wide knowledge of video editing programs. (Premiere Pro, Final Cut, and Sony Vegas)

EDUCATION

Champlain College Burlington, VT

Bachelor's of Science in Graphic Design and Digital Media - May 2012
Vice President of the College Art Club.
Spent a Semester at Champlain College Satellite campus in Dublin, Ireland.

EXPERIENCE

High Cascade Summer Snowboard Camp Government Camp, OR Counselor 6/13-9/13

Looked after adults and teens aged 14-17. Learned how to keep campers motivated, excited, and interested. On call 24/7 ready to deal with any scenario. Thrived in an extremely fast paced environment.

Black Mamba Skatepark

Syracuse, NY

Printed Media Designer 10/12-6/13

Aided in developing designs for shirts, stickers, and skate decks of local skate shop. Developed communication skills with people who are not well versed in design.

Big Heavy World

Burlington, VT

Graphic Design Intern 1/12 - 4/12

Member of design team which was in charge of poster campaigns and branding for a radio show. Experience being a component of a team of designers under a single art director. A high level communication is essential to get a high quality final product.

People Making Good

Burlington, VT

Graphic Design Intern 9/11-12/11

Designed info-graphics to accompany press releases. Was first "real world" experience of working with clients that did not have a design background. Learned to explain design effectively to laymen to achieve the desired outcome.

Green Mountain Animal Defenders

Burlington, VT

Graphic Design Intern/Videographer 6/11-9/11

Designed documents providing information regarding pets and wildlife. Shot and edited public service announcements. Learned how to get work done with little guidance and communication

while meeting a deadline.
